*Following the example of Jesus, together we learn,
love and respect one another to be the best we can be.*

Dear Parents/Carers

Enterprise Week

Week beginning 23rd May is our Enterprise week. The School Council have taken this opportunity, as part of their on-going fundraising efforts for new ipads, to ask each class to plan an event to try to raise some money. More details about individual class events will be sent out by class teachers.

Year 6 SATs and Year 2 Tests

Well done to our amazing Year 6 children who have worked extremely hard this week during their SATs. The children have tried their best and we are very proud of their efforts, not just this week, but throughout all of their learning. Thank you to the families for your encouragement, support and prayers. The children conducted themselves in a sensible and mature manner all the way through, exhibiting a sense of pride in their efforts this week.

Today, our Year 6 went for lunch at The Villa. Many thanks to Mr & Mrs Cafasso for their hospitality.

Year 2 have begun their 'special booklets' this week and will continue with these next week. Our Year 2 children are very positive, working hard and doing their very best.

Well done children. We are very proud of you all.

Reception Class "New" Intake Evening

Next Thursday, 19th May we welcome our parents and families, of children starting with us in September, to our induction evening at 7.00pm. This is an opportunity to meet the staff and begin or extend our partnerships with parents. We are very much looking forward to welcoming you all.

Sports Day - Friday, 1st July

For a number of reasons including feedback from parents and, due to the current condition of the field, Sports Day, this year, will take place in the morning for Juniors (Year 3, Year 4, Year 5 and Year 6) and in the afternoon for Infants (Reception, Year 1 and Year 2).

Best Wishes for a Very Brave Girl

On Monday one of our children, Mary, in Year 6, will be undergoing spinal fusion surgery on her back as she has a condition called scoliosis. Following the surgery Mary will be off school, for some time, whilst she recovers. Mary has been incredibly brave and positive and we ask that with us you remember Mary and her family in your prayers. We look forward to seeing her and welcoming her back to school once she recovers.

Year 6 Sponsored Walk

This Sunday, 15th May our Year 6 children and parents are taking part in a sponsored walk to raise funds for the Year 6 end of term party. Details and arrangement have been sent out separately. Thank you to all involved in this.

Food Bank

Last Friday, in assembly, the Pupil Chaplains thanked the parents and children for all of their donations, so far, for the foodbank. They also explained about the 'challenge' they have organised for this half term to see who, our Infants or Juniors, can donate the greatest weight in items.

Please continue to send in items, if you can, to support our collections. The items will be kept in classroom and then at the end of the 'challenge' will be delivered to the foodbank by children from the 'winning' key stage.
