Dear Parents/Carers,

We want to improve our lines of communication with parents and to be able to provide information quickly and easily. We are in the process of setting up a Facebook page which will also act as an advertising tool for the wider community to help promote the fabulous work we do at St Michael & St John's.

The Facebook page will have restrictions placed on it. This is to ensure that all our children are safeguarded whilst also protecting the image of the school. The Facebook page can be found at www.facebook.com/stmichael&stjohn'sschool. This will go 'live' in September on a 6 week trial.

To ensure you receive updates on your timeline (wall) remember to click the 'like' button on our page.

We will regularly post updates for your information and will also add photos to share what the children have been doing. Children's names will not be posted.

Please do not be offended if members of staff do not accept you as a 'friend' on their own personal accounts. As a school, we feel that this measure for privacy and professionalism is appropriate.

The internet consent forms you have previously filled in will be used as the permission for photographs to be used. If you **DO NOT** wish your child to have their picture used on Facebook, please can you contact the office as soon as possible to inform us.

Thank you for your continued support. If you have any further questions then please speak to myself or a member of staff.

Yours Sincerely

Mrs Z Mabbott
Head Teacher
